

Listing of Claims:

This listing of claims reflects all claim amendments and replaces all prior versions, and listings, of claims in the application. Material to be inserted is in **bold and underline**, and material to be deleted is in ~~strikeout~~ or (if the deletion is of five or fewer consecutive characters or would be difficult to see) in double brackets [[]].

1. (amended) Shape structure usable to form a desired wall surface, comprising:
a first region constructed for being attached to a **preliminary** wall; and
a second region constructed for being located in an opening formed in the **preliminary** wall.

2. (original) The shape structure of claim 1, wherein the first region is constructed as a flange.

3. (original) The shape structure of claim 1, wherein the second region is constructed as a body.

4. (original) The shape structure of claim 2, wherein the second region is constructed as a body.

5. (original) The shape structure of claim 3, wherein the body is constructed to form a recess when placed in the opening of the wall.

6. (original) The shape structure of claim 4, wherein the body is constructed to form a recess when placed in the opening of the wall.

7. (withdrawn)

8. (withdrawn)

9. (original) The shape structure of claim 1, wherein the first region is constructed for being attached to a shower wall, and the second region is constructed for being located in an opening formed in the shower wall.

10. (original) The shape structure of claim 1, further including a third region for fastening to the wall.

11. (amended) A mold usable to form a desired shower wall surface, comprising:
a first region constructed for being attached to **a preliminary wall associated with** the shower wall; and
a second region constructed for being located in an opening formed in the **preliminary wall and the** shower wall.

12. (original) The mold of claim 11, wherein the first region is a flange and the second region is a body.

13. (original) The mold of claim 11, further including a fastening region for fastening to the shower wall.
